

Top of the **TRANSAMERICA PYRAMID**

The 48th floor, once available only for tenants, is available to outside corporations, associations and for special events. This spectacular setting can be arranged in formal sit down or casual buffet styles with professional catering and event coordination available. The room has been recently upgraded and now includes:

- Apple TV and Apple Extreme WIFI router
- Wireless projector
- LED lighting system that can be programmed to represent your company logo or an event's color scheme.
- 55" HDTV with access to Direct TV
- Handheld and lapel microphones with transmitter for full room coverage.
- The ability to add a mobile second TV unit via "plug and play" AV plug outlet
- All components controlled remotely by an iPad
- New conference tables and chair
